Meridian Mining to Commence Trading on TSX on April 4, 2022

LONDON, United Kingdom, April 4, 2022 / CNW / Meridian Mining UK S (TSX: MNO), (Frankfurt/Tradegate: 2MM) & (OTCQB: MRRDF), ("Meridian" or the "Company") is pleased to announce that, further to its news release on March 23, 2022, Meridian's common shares have been approved for listing on the Toronto Stock Exchange ("TSX") and will commence trading at market open on April 4, 2022, under the symbol "MNO". Concurrently with the listing on the TSX, Meridian's common shares will cease to trade on the TSX Venture Exchange.

Shareholders are not required to exchange their share certificates or take any other action in connection with the TSX listing, as there will be no change in the trading symbol or CUSIP for the common shares.

Mr Gilbert Clark, Executive Chairman of Meridian, stated, *"Today is an important milestone in the evolution of Meridian with its shares now trading on the TSX and becoming more accessible, with stable liquidity to an even broader range of investors, precious & base metal funds, market Indices and Exchange Traded Products for the benefit of all shareholders current and prospective. Meridian is now one of the only new copper-gold resource development and exploration companies with an advanced camp scale project trading on the TSX. While we continue to work towards enhancing our market visibility, Meridian will maintain its core focus to build long-term shareholder value, continue being a responsible steward of the environment, building collaborative partnerships with communities & governments, and all other stakeholders for mutual success."*

On behalf of the Board of Directors of Meridian Mining UK S
